

# Program Activity

**Gallery:** Fossil Gallery

**Course Name:** Meet Stan the T. rex

**Grade Level:** K - 1

**Activity:** Meet Stan the T. rex--Write that Dinosaur pre-activity

**Approximate Time Required:** 15 minutes

**Vocabulary:** Tyrannosaurus rex

## Objective:

Students will write the words Tyrannosaurus rex under its' picture.  
Students will draw their own picture of a Tyrannosaurus rex.

## Materials Needed:

Writing dinosaur handout (attached), pencils, crayons

## Procedure:

With the sheet in front of them, tell the students that this is the dinosaur they are going to focus on at the Tellus Science Museum. Have them repeat its' name after you say it. Have them copy its' name for writing practice. Have the students draw their own Tyrannosaurus rex in the space provided.

## Observations:

Help them with any letters they have trouble forming.

## Evaluation:

Ask the name of the dinosaur. Ask them to point to the 's'. What sound does it make? Point to the letter that makes the 't' sound, etc.

## Modifications:

Have them rewrite the word in cursive.  
Have broken lines for them to trace.
